I/we, \_\_\_\_\_, \_\_\_\_\_ parent(s) name(s),

1. Confirm that my student(s) residence is located greater than 2.4 km from the Calgary Arts Academy campus that my student attends as demonstrated by the attached map sourced from the internet. (If a map is not attached your application is incomplete.)
2. Agree that I will be fully responsible for my student(s) transportation between home and school for each instructional day.

Through this Agreement, I request that CAA Transportation Services apply for individual funding from Alberta Education for Parent-Provided Transportation for my Student(s) for the 2010/11 academic year. The deadline to submit this funding application is September 30, 2010.

I understand that the application for PPT funding excludes my eligibility for funding provided by Alberta Education for CAA provided busing. Should I choose to register for busing at a date later than September 30<sup>th</sup>, I will be responsible for all, or part, of that otherwise funded portion.

I have read the [CAA Transportation Handbook](http://www.calgaryartsacademy.com) @ www.calgaryartsacademy.com and accept the policy and procedures contained therein, including payment information and the conditions for transferring between PPT transportation and busing.
